# RV 5500

Vortex™ PRO 4WD

The 4-wheel-drive,  
remote-controlled robotic cleaner.

## Choosing the right electric cleaner

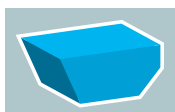

### RV 5500 VORTEX™ PRO 4WD

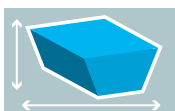

For in-ground and above-ground pools with rigid walls

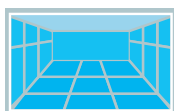

All shapes of pools

All floors

Size up to 15 x 7 m

Cleans floor, walls and water line

Remote-controlled mode

programmable time clock

## Patented cyclonic technology

for cleaning without loss of suction power

Zodiac® engineers have designed the first cyclonic suction pool cleaners.

**This technology creates a high-power vortex inside the filter. In this way debris is kept in suspension, preventing the filter from clogging and providing more power and more consistent suction.**

### 4-wheel drive technology

Grips pool walls

RV 5500 is equipped with 4-wheel drive, giving it perfect grip on the walls, reducing the risk of it becoming detached.

## Patented Lift System

20% less effort

Taking your cleaner out of the water is easy, thanks to the powerful rear jet that is activated when removing the unit from the water.

### SPECIFICATIONS

Number of motors	3
Cleaner dimensions (W x D x H)	43 x 48 x 27 cm
Cleaner weight	9.5 kg
Number of cleaning cycles	Multiple
Length of cleaning cycles	Multiple
Surface area of filter	1,280 cm <sup>2</sup>
Cleaning width	27 cm
Cable length	21 m
Cleaner pump flow rate	16 m <sup>3</sup> /h
Drive system	4-wheel drive
Transmission	Gears
Safety features	Deck system, out of the water safety, electronic motor protection

### OPTIONAL ACCESSORIES

Fine debris filter canister

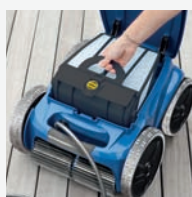

Large debris filter canister

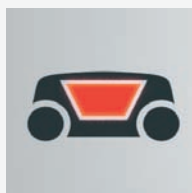

Protective cover

Motion sensing remote. Responsive cleaning control in the palm of your hand

Filter canister with easy access and large capacity (5L)

Filter full indicator

Control box programmable for up to 7 days

Trolley
